

KILO**About KILO furniture**

All KILO pieces are locally produced and made of furniture grade birch plywood. They come flat-packed and are easily assembled without the need for glue, screws or other elements.

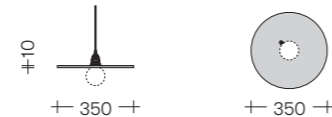

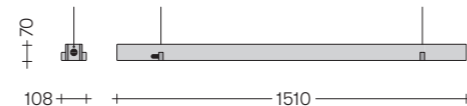

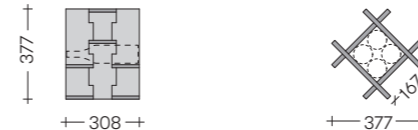

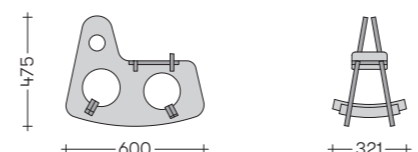

The pieces are hand-finished and treated with 100% natural linseed oil. We offer a life-long guarantee on structural integrity.

Looking for custom sizes?

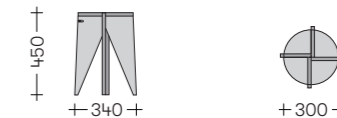

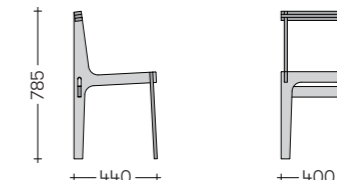

Please visit our website where we offer multiple configurators to adjust KILO pieces to you exact needs. Contact us for other options.
